

Roll to 1000

CCSS: 2.NBT.5 Fluently add and subtract within 100

Materials: 2-4 players

place value mats

6, 20, or 30-sided dice

Base ten materials - units (1), longs (10), flats (100) and blocks (1 000)

Directions

1. Roll die and the highest number goes first.
2. You play in turn by rolling the die and taking the appropriate amount of units, longs, flats, etc.
3. You continue and make appropriate exchanges as needed.
4. The winner is the first to reach the targeted number: 1000
